Code of conduct for parents and carers

Note: Where we refer to 'parents' we mean parents and carers inclusively. The term 'children' or 'child' describes any person under the age of 18.

As a parent of a child taking part in Dive Project Cornwall we'd like you to:

The essentials

- ✓ - make sure your child has the right kit for the week as detailed in the kit list
- ✓ encourage your child to arrive to sessions on time or let us know if you're running late or if your child is going home with someone else
- ✓ complete all consent, contact and medical forms and update us straight away if anything changes
- ✓ make sure your child wears any protective kit we provide for them
- ✓ maintain a good relationship with the lead teacher or Dive Project Cornwall and catch up with them as much as you can about your child's development
- ✓ talk to us if you have any concerns about any part of your child's involvement - we want to hear from you

Behaviour

- ✓ try and learn about your child's course, PADI Open Water Diver and DIVE PROJECT CORNWALL's activities and what it means to them
- ✓ take the time to talk to your child about what you both want to achieve through them taking part in DIVE PROJECT CORNWALL
- ✓ remember that children get a wide range of benefits from participating in sport, like making friends, getting exercise and developing skills. It's not all about wins and losses
- ✓ listen when your child says they don't want to do something
- ✓ behave positively on the side lines - shout encouragement, say "Well done" and let your children know you're proud of what they're doing
- ✓ encourage your child to respect and celebrate difference at DIVE PROJECT CORNWALL
- ✓ lead by example when it comes to positive behaviour on the side lines
- ✓ use social media responsibly when talking about what goes on at DIVE PROJECT CORNWALL, by behaving in the same way online as you would in person
- ✓ talk to your child about embracing good etiquette and sportsmanship
- ✓ encourage your child to play by the rules
- ✓ ensure that your child understands their code of conduct

Code of conduct for parents and carers

As a parent, we understand you have the right to:

- ✓ be assured that your child is safeguarded during their time with us
- ✓ see any of our policies and procedures at any time
- ✓ know who the welfare officer responsible for your child is and have their contact details
- ✓ be involved and contribute towards decisions within the club or activity
- ✓ know what training and qualifications our staff have
- ✓ be informed of problems or concerns relating to your child
- ✓ know what happens if there's an accident or injury, be informed if your child is injured and see records of any accidents
- ✓ have your consent sought for anything outside of our initial consent form, such as permission to go on trips or photography and video
- ✓ have any concerns about any aspect of your child's welfare listened to and responded to

We expect all parents to follow the behaviours and requests set out in this code. If any parent behaves in a way which contradicts any of the points set out above, we'll address the problem straight away with the parent and aim to resolve the issue.

Continued issues and repeated breaches of this code may result in us regrettably asking your child to leave the activity permanently, something we never want to do.
